Other Worlds Than These – STARSET

O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
Ten feet tall
Behind your wall
Telling yourself
That you're not small
Roll yourself
Into a tight ball
You
Can't
Be
Lost
If you've gone AWOL
You've never had
One question
So
Comfortable living life
So certain
Let me tell you about this then
No one really knows the truth
No, not you
There are monsters in the sky
There are demons in the sea
I have seen them with my eyes
I've seen what you won't see
Pull the wool out from your eyes
It won't shade your frail belief
In the end we cannot hide
There are other
Worlds than these!

O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
O-o-o
O-o-o-o-o-oh
Closed up minds are hearty seeds
So plant yourself
A gallows tree
Bury your head!
So you won't see
The truth you hide
Is the truth you seek
Feed it fiction and lies
Oh, how it grows
The roots are all shallow
Hide yourself up inside
And on it goes
Reaping from the cell you sow
There are monsters in the sky
There are demons in the sea
I have seen them with my eyes
I've seen what you won't see
Pull the wool out from your eyes
It won't shade your frail belief
In the end we cannot hide
There are other
Worlds than these
Is it all an oddity?
Are we flakes of empty dust
Spinning on a ball of rust?
Maybe
But the light is ours to see
You had
Eyes, but sowed them shut
But that
Feeling in your gut w
On't fade

Is it all a tragedy?
Are we flashes in a rut
Going in and out of luck?
Maybe
But the answers will not change
Even when they're covered up
All these questions in your gut
Won't fade
And there are monsters in the sky
There are demons in the sea
I have seen them with my eyes
I've seen what you won't see
Pull the wool out from your eyes
It won't change your frail belief
In the end we cannot hide
There are other
Worlds than these

Worlds than these!
