## Nothing's Gonna Stop Us Now - Starship

Lookin' in your eyes, I see a paradise This world that I found Is too good to be true Standing here beside you, Want so much to give you This love in my heart that I'm feeling for you Let them say we're crazy, I don't care about that Put your hand in my hand, baby, Don't ever look back Let the world around us just fall apart Baby, we can make it if we're heart to heart And we can build this dream together Standing strong forever Nothing's gonna stop us now And if this world runs out of lovers We'll still have each other Nothing's gonna stop us Nothing's gonna stop us now, oh-whoa I'm so glad I found you I'm not gonna lose you Whatever it takes, I will stay here with you Take it to the good times See it through the bad times Whatever it takes is what I'm gonna do Let them say we're crazy, what do they know? Put your arms around me, baby, Don't ever let go Let the world around us just fall apart Baby, we can make it if we're heart to heart And we can build this dream together Standing strong forever Nothing's gonna stop us now And if this world runs out of lovers We'll still have each other

Nothing's gonna stop us Nothing's gonna stop us Ooh, all that I need is you All that I ever need And all that I want to do is hold you forever Forever and ever Hev! And we can build this dream together Standing strong forever Nothing's gonna stop us now And if this world runs out of lovers We'll still have each other Nothing's gonna stop us Nothing's gonna stop us We can build this dream together Standing strong forever (whoa) Nothing's gonna stop us now (Nothing's gonna stop us now) If this world runs out of lovers We'll still have each other Nothing's gonna stop us (us now) We can build this dream together (hey, baby) Standing strong forever (I know) Nothing's gonna stop us now (hey, baby) (Nothing's gonna stop us) If this world runs out of lovers (hey, baby) We'll still have each other (oh-oh) Nothing's gonna stop us (hey, baby) (Nothing's gonna stop us now, yeah) We can build this dream together Standing strong forever Nothing's gonna stop us now

If this world runs out of -
