Nothing's Gonna Stop Us Now - Starship

Looking in your eyes I see a paradise
This world that I've found
Is too good to be true
Standing here beside you
Want so much to give you
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that Put your hand in my hand baby Don't ever look back Let the world around us just fall apart Baby we can make it if we're heart to heart

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now

I'm so glad I found you I'm not gonna lose you Whatever it takes I will stay here with you Take it to the good times See it through the bad times Whatever it takes is what I'm gonna do

Let 'em say we're crazy, what do they know Put your arms around me baby Don't ever let go Let the world around us just fall apart Baby we can make it if we're heart to heart

And we can build this dream together Standing strong forever Nothing's gonna stop us now And if this world runs out of lovers We'll still have each other Nothing's gonna stop us, nothing's gonna stop us

Ooh, all that I need is you All that I ever need And all that I want to do Is hold you forever, ever and ever, hey

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
And we can build this dream together
Standing strong forever

Nothing's gonna stop us now And if this world runs out of lovers We'll still have each other Nothing's gonna stop us
