

# Nothing's gonna stop Us now – Starship

Looking in your eyes I see a paradise  
This world that I've found  
Is too good to be true  
Standing here beside you  
Want so much to give you  
This love in my heart that  
I'm feeling for you  
Let 'em say we're crazy,  
I don't care about that  
Put your hand in my hand baby  
Don't ever look back  
Let the world around us just fall apart  
Baby we can make it if we're heart to heart  
Ref And we can build this dream together  
Standing strong forever  
Nothing's gonna stop us now  
And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us,  
Nothing's gonna stop us now  
I'm so glad I found you  
I'm not gonna lose you  
Whatever it takes I will stay here with you  
Take it to the good times  
See it through the bad times  
Whatever it takes is what I'm gonna do  
Let 'em say we're crazy, what do they know  
Put your arms around me baby  
Don't ever let go  
Let the world around us  
Just fall apart  
Baby we can make it if we're heart to heart  
Ref And we can build this dream together  
Standing strong forever  
Nothing's gonna stop us now  
And if this world runs out of lovers

We'll still have each other  
Nothing's gonna stop us,  
Nothing's gonna stop us  
Ooh, all that I need is you  
All that I ever need  
And all that I want to do Is  
Hold you forever, ever and ever, hey  
Ref  
And  
We can build this dream  
Together  
Standing strong forever  
Nothing's gonna stop us now  
And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us,  
Whoa Nothing's gonna stop us now,  
Oh no Hey baby, I know,  
Hey baby, nothing's gonna stop us  
Hey baby, woo, nothing,  
Hey baby Nothing's gonna stop us now yeah
