

Nothing's gonna stop Us now – Starship

Looking in your eyes I see a paradise
This world that I've found
Is too good to be true
Standing here beside you
Want so much to give you
This love in my heart that
I'm feeling for you
Let 'em say we're crazy,
I don't care about that
Put your hand in my hand baby
Don't ever look back
Let the world around us just fall apart
Baby we can make it if we're heart to heart
Ref And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us,
Nothing's gonna stop us now
I'm so glad I found you
I'm not gonna lose you
Whatever it takes I will stay here with you
Take it to the good times
See it through the bad times
Whatever it takes is what I'm gonna do
Let 'em say we're crazy, what do they know
Put your arms around me baby
Don't ever let go
Let the world around us
Just fall apart
Baby we can make it if we're heart to heart
Ref And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers

We'll still have each other
Nothing's gonna stop us,
Nothing's gonna stop us
Ooh, all that I need is you
All that I ever need
And all that I want to do Is
Hold you forever, ever and ever, hey
Ref
And
We can build this dream
Together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us,
Whoa Nothing's gonna stop us now,
Oh no Hey baby, I know,
Hey baby, nothing's gonna stop us
Hey baby, woo, nothing,
Hey baby Nothing's gonna stop us now yeah
