

# This too shall pass – Stasiek Kukulski

Oh, jay, sing into my ear  
And raise me above my fear  
Through the night, from my weary heart  
With dawn, from my bare soul, dearest guard  
I'm near the edge of surrender  
This too shall pass  
The only thing to remember  
This too shall pass  
For it couldn't last  
Oh, jay, let thy wings take flight  
May I bathe into the sky?  
In the dark, in the abyss, shadows dwell  
I'm near the edge of surrender  
This too shall pass  
The only thing to remember  
This too shall pass  
For it couldn't last  
Whether the storm will fade or stay  
Whether the night, whether the day  
Oh, oh, oh  
Oh-oh-oh-oh, oh-oh  
I'm near the edge of surrender  
This too shall pass  
The only thing to remember  
This too shall pass  
For it couldn't last  
Oh, oh
