

# Life By The Drop – Stevie Ray Vaughan

Hello there, my old friend  
Not so long ago it was til the end  
We played outside in the pouring rain  
On our way up the road we started over again  
You're living our dream oh you on top  
My mind is aching, ' Lord it won't stop  
That's how it happens living life by the drop  
Up and down the road in our worn down shoes  
Talking about good things and singing  
The blues  
You went your way and I stayed behind  
We both knew it was just a matter of time  
You're living our dream oh you on top  
My mind is aching, ' Lord it won't stop  
That's how it happens living life by the drop  
No wasted time, we're alive today  
Churning up the past, there's no easier way  
Time's been between us, a means to an end  
God it's good to be here walking together  
my friend  
We're living our dreams  
My mind's stopped aching, '  
That's how it happened living life by  
The drop  
That's how it happened living life by the  
Drop  
That's how it happened living life by the  
Drop
