

# Fragile – Sting

If blood will flow  
When flesh and steel are one  
Drying in the color of the evening sun  
Tomorrow's rain  
Will wash the stains away  
But something in our minds  
Will always stay  
Perhaps this final act was meant  
To clinch a lifetime's argument  
That nothing comes from violence  
And nothing ever could  
For all those born beneath an angry star  
Least we forget how fragile we are  
On and on the rain will fall  
Like tears from a star  
Like tears from a star  
On and on the rain will say  
How fragile we are  
How fragile we are  
On and on the rain will fall  
Like tears from a star  
Like tears from a star  
On and on the rain will say  
How fragile we are  
How fragile we are
