

# If I ever loose my faith in you – Sting

You could say I  
Lost my faith in science and progress  
You could say I  
Lost my belief in the holy Church  
You could say I lost my sense of direction  
You could say all of this and worse, but  
If I ever lose my faith in you  
There'd be nothing left for me to do  
Some would say I was a  
Lost man in a lost world  
You could say I lost my faith  
In the people on TV  
You could say I'd lost my belief  
In our politicians  
They all seemed like game show hosts to me  
If I ever lose my faith in you  
There'd be nothing left for me to do  
I could be lost inside their lies  
Without a trace  
But every time I close my eyes  
I see your face  
I never saw no miracle of science  
That didn't go from a blessing to a curse  
I never saw no military solution  
That didn't always end up as  
Something worse, but  
Let me say this first  
If I ever lose my faith in you  
There'd be nothing left for me to do
