

If I ever loose my faith in you – Sting

You could say I
Lost my faith in science and progress
You could say I
Lost my belief in the holy Church
You could say I lost my sense of direction
You could say all of this and worse, but
If I ever lose my faith in you
There'd be nothing left for me to do
Some would say I was a
Lost man in a lost world
You could say I lost my faith
In the people on TV
You could say I'd lost my belief
In our politicians
They all seemed like game show hosts to me
If I ever lose my faith in you
There'd be nothing left for me to do
I could be lost inside their lies
Without a trace
But every time I close my eyes
I see your face
I never saw no miracle of science
That didn't go from a blessing to a curse
I never saw no military solution
That didn't always end up as
Something worse, but
Let me say this first
If I ever lose my faith in you
There'd be nothing left for me to do
