

# What Could Have Been – Sting

I am the monster you created  
You ripped out all my parts  
And worst of all, for me to live,  
I gotta kill the part of me that saw  
That I needed you more  
I hope you know we had everything  
And you broke me and left these pieces  
I want you to hurt like you hurt me today and  
I want you to lose like I lose when I play  
What could have been  
Oh, what could have been  
Why don't you love who I am?  
What we could have been  
I am your ghost, a fallen angel  
You ripped out all my parts  
I couldn't care what invention you made me  
'Cause I, I was meant to be yours  
I hope you know we had everything  
And you broke me and left these pieces  
I want you to hurt like you hurt me today and  
I want you to lose like I lose when I play  
I want you to hurt like you hurt me today and  
I want you to lose like I lose when I play  
What could have been
