

# Taciturn – Stone Sour

Across the sea to you  
I've left myself deserted here again  
Across the sea to you  
My pieces are too broken now to mend  
In the middle, under a cold, black sky  
The sun will only burn for you and I  
In the moment, before I lose my mind  
These hours don't mean anything this time  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything  
Across the world for you  
My reasons have no reason to remain  
I'd cross the world for you  
I don't know what I'm doing wrong  
But I can't stay the same  
In the middle, under a clear, blue sky  
The sun can only burn for you and I  
In the moment, before I lose my mind  
These hours don't mean anything this time  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything  
Give me a sign  
Show me the line  
Maybe tonight

I'll tell you everything  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything  
Give me a sign  
Show me the line  
Maybe tonight  
I'll tell you everything,  
Everything,  
Everything
