Wicked Game - Stone Sour

The world was on fire And no one could save me but you It's strange what desire Will make foolish people do And I never dreamed That I'd meet somebody like you And I never dreamed That I'd lose somebody like you No, I don't want to fall in love No, I don't want to fall in love With you With you What a wicked game to play, To make me feel this way What a wicked thing to do, To let me dream of you What a wicked thing to say, You never felt that way What a wicked thing to do, To make me dream of you And I don't want to fall in love No, I don't want to fall in love With you With you The world was on fire And no one could save me but you It's strange what desire Will make foolish people do And I never dreamed That I'd meet somebody like you And I never dreamed That I'd lose somebody like you No I, don't want to fall in love No I, don't want to fall in love No I
