

# PLUSH – Stone Temple Pilots

And I feel that time's a wasted go  
So where you going to tomorrow?

And I see that these are lies to come  
Would you even care?

And I feel it  
And I feel it

Where you going for tomorrow?  
Where you goin' with the mask I found?

And I feel, and I feel  
When the dogs begin to smell her

Will she smell alone?

And I feel, so much depends on the weather

So is it raining in your bedroom?

And I see, that these are the eyes of disarray

Would you even care?

And I feel it  
And she feels it

Where you going to tomorrow?  
Where you goin' with the mask I found?

And I feel, and I feel  
When the dogs begin to smell her

Will she smell alone?

When the dogs do find her  
Got time, time, to wait for tomorrow

To find it, to find it, to find it

When the dogs do find her  
Got time, time, to wait for tomorrow

To find it, to find it, to find it

Where you going for tomorrow?  
Where you goin' with the mask I found?

And I feel, and I feel

When the dogs begin to smell her  
Will she smell alone?

When the dogs do find her  
Got time, time, to wait for tomorrow

To find it, to find it, to find it

When the dogs do find her

Got time, time, to wait for tomorrow

To find it, to find it, to find it

To find it

To find it

To find it
