

Session 32 – Summer Walker

Threw away your love letters
I thought it'd make me feel better
I finally got you out my bed
But I still can't get you out my head, ooh
I'm sending you one text at a time
I know you're by your phone
So boy, pick up your line
And I ain't too proud to beg
So, what's been said has been said, hmm
And I need you to know
You don't know what love is
And I need you to know, hmm
You don't know
And you don't know what love is
If you don't put up a fight
You don't know what love is
If you don't stay up all night, crying
You don't know what love is
If you're too good to call a million times
And you say you know what love is
But I swear you never seen it in your life oh
I swear you never seen it in your life, ooh
I swear you never seen it in your life
