Eye of the Tiger - Survivor

Risin' up Back on the street Did my time, took my chances Went the distance, now I'm back on my feet Just a man and his will to survive So many times, it happens too fast You change your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them alive It's the eye of the tiger It's the thrill of the fight Risin' up to the challenge of our rival And the last known survivor stalks his prey in the night And he's watchin' us all with the eye Of the tiger Face to face Out in the heat Hangin' tough, stayin' hungry They stack the odds 'till we take to the street For we kill with the skill to survive It's the eye of the tiger It's the thrill of the fight Risin' up to the challenge of our rival And the last known survivor stalks his prey in the night And he's watchin' us all with the eye Of the tiger Risin' up Straight to the top Have the guts, got the glory Went the distance, now I'm not gonna stop

Just a man and his will to survive
It's the eye of the tiger
It's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks
his prey in the night
And he's watchin' us all with the eye
Of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
