

# If you can't give me love – Susie Quatro

Well, I've seen you before  
On the discoteque floor  
You were driving me out of my mind  
Oh, but I could it swore  
That I saw something more  
In your eyes

Although you were surrounded  
By beauty unbounded  
Your glances intended for me  
And though I try to hid it  
I found myself lookin' to see

So, then you took your chances,  
Your major advances  
Your touch took my breathe away  
But when you said "hello,  
Are you ready to go?"  
Well, I had just one thing to say

If you can't give me love,  
Honey, that ain't enough  
Let me go look for somebody else

If you can't give me feelings  
With old fashioned meanings  
Then Just stay in love with yourself

If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)

Well, you maybe the king  
Of this discoteque thing

But honey, I ain't looking for that  
What I need is a man,  
Not some so called aristocrat

Oh, if only you'd waited,  
Just hesitated  
Or maybe just asked me to dance  
But you really don't know  
Why I don't wanna go  
And, baby, that's why we don't stand a chance

So, if you can't give me love,  
Honey, that ain't enough  
Let me go look for somebody else

If you can't give me feelings  
With old fashioned meanings  
Then Just stay in love with yourself

If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)

Oh, if you can't give me love,  
Honey, that ain't enough  
Let me go look for somebody else

And If you can't give me feelings  
With Old fashioned meanings  
Then Just stay in love with yourself

If you can't give me love,  
Honey, that ain't enough  
Let me go look for somebody else

If you can't give me feelings  
With old fashioned meanings  
Then Just stay in love with yourself

If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)  
If you can't give me love, (love)
