

# Stumblin' In – Suzi Quatro & Chris Norman

(Razem)

Our love is alive  
And so we begin  
Foolishly layin' our hearts on the table,  
Stumblin' in  
Our love is a flame  
Burnin' within  
Now and then Fire light will catch us,  
Stumblin'in

(artstar)

Wherever you go, whatever you do  
You know these reckless thoughts of mine  
Are followin' you

(Ty)

I've fallen for you, whatever you do  
'Cause baby you've shown me so many things  
That I never knew

(Razem)

Whatever it takes, baby, I'll do it for you

(Razem)

Our love is alive  
And so we begin  
Foolishly layin' our hearts on the table,  
Stumblin' in  
Our love is a flame  
Burnin' within  
Now and then Fire light will catch us,  
Stumblin'in

(artstar)

You were so young, ah, but I was so free

(Ty)

I may have been young, but baby,  
That's not what I wanted to be

(artstar)

Well you were the one

(Ty)

Oh why was it me?

(artstar)

'Cause baby you've shown me so many things  
That I'd never seen

(Razem)

Whatever you need, baby, you got it from me

(Razem)

Our love is alive  
And so we begin  
Foolishly layin' our hearts on the table,  
Stumblin' in  
Our love is a flame  
Burnin' within  
Now and then Fire light will catch us,  
Stumblin' in

(Razem)

Stumblin' in  
Stumblin' in  
Foolishly layin' our hearts on the table  
Stumblin' in

(artstar)

Ah, stumblin' in,  
Mmm, stumblin' in

(Razem)

Now and then

# Fire light will catch us, Stumblin' in
