

Don't You Worry Child ft. John Martin – Swedish House Mafia

There was a time, i used to look in too my fathers eyes
In a happy home, i was the king I had a gold throne
Thoses days are gone
Now the memories on the wall
I hear the sound, from the place where i was born
Up on a hill across a blue lake
Thats where i had my first heartbreak
I still remember how it all changed
My father said
Don't you worry, don't you worry child
See heavens got a plan for you
Don't you worry, don't you worry now
Yeahhhhhhhh
Don't you worry, don't you worry child
See heavens got a plan for you
Don't you worry, don't you worry child
Yeahhhhhhhh
There was a time, i met a girl of a different kind

We rouled the world,
I though id never loose her out of sight
We were so young
I think every now and then
Still hear the sound, Reminding me of our friends
Up on a hill across a blue lake
Thats where i had my first heartbreak
I still remember how it all changed
My father said
Don't you worry, don't you worry child
See heavens got a plan for you
Don't you worry, don't you worry now
Yeahhhhhhhh
See heavens got a plan for you
Don't you worry, don't you worry child
See heavens got a plan for you

Don't you worry, don't you worry child
Yeahhhhhhhhhh
