Conversion, software version 70 Looking at lives through the eyes of a tire hub Eating seeds as a pastime activity, The toxicity of our city, of our city

You! What do you own the world?
How do you own disorder, disorder?
Now, somewhere between the sacred silence
Sacred silence and sleep
Somewhere, between the sacred silence and sleep
Disorder, disorder, disorder

More wood for their fires, loud neighbors Flashlight reveries caught in the headlights of a truck Eating seeds as a pastime activity, The toxicity of our city, of our city

You! What do you own the world?
How do you own disorder, disorder?
Now, somewhere between the sacred silence
Sacred silence and sleep
Somewhere, between the sacred silence and sleep
Disorder, disorder

You! What do you own the world?
How do you own disorder?
Now, somewhere between the sacred silence
Sacred silence and sleep
Somewhere, between the sacred silence and sleep
Disorder, disorder
