

# Big Time Rush Elevate – szamano112112112

Elevate a little higher  
Let's throw a party in the sky  
And celebrate  
Elevate until we fly yeah  
Move, move your feet  
Until you levitate  
Come on let's elevate  
Forget about your day  
Under the milky way  
I know a place where we can go  
No need to be afraid  
Come on, I'll demonstrate  
Take you to outer space  
Here we go, here we go  
Oh oh oh  
If you want a party  
Oh oh oh  
And I know you're down  
Oh oh oh  
If you want a party  
If you want a party  
Elevate a little higher  
Let's throw a party in the sky  
And celebrate  
Elevate until we fly yeah  
Move, move your feet  
Until you levitate  
Come on let's elevate  
Elevate  
Elevate  
We're floating in the air  
Look at the view from here  
Show you what world you've never seen before  
We're dancing in the stars  
No matter where we are  
Jupiter Boulevard

Here we go, here we go  
If you want a party  
(Whoa oh, Whoa Oh)  
And I know you're down  
(Whoa Oh, Whoa Oh)  
If you want a party  
You want a party  
Elevate a little higher  
Let's throw a party in the sky  
And celebrate  
Elevate until we fly yeah  
Move, move your feet  
Until you levitate  
Come on let's elevate  
Elevate  
Elevate  
Don't even hesitate  
Just let it escalate  
I want to see you go woah  
Break through the ceiling  
Now it's time to hit the clouds  
And now we ain't coming down  
Whoa whoa  
Whoa whoa  
(Whoa whoa Whoa whoa)  
Whoa whoa  
(Oh oh oh)  
Whoa whoa  
Elevate a little higher  
Let's throw a party in the sky  
And celebrate  
Elevate until we fly yeah  
Move, move you're feet  
Until you levitate  
Come on let's elevate  
Elevate  
Elevate  
We're on another level tonight  
Let's, let's, let's celebrate
