

# The Less I Know the Better – Tame Impala

Someone said they left together  
I ran out the door to get her  
She was holding hands with Trevor  
Not the greatest feeling ever  
Said, "Pull yourself together  
You should try your luck with Heather"  
Then I heard they slept together  
Oh, the less I know the better  
The less I know the better  
Oh, my love,  
Can't you see yourself by my side?  
No surprise,  
Leanin' on his shoulder like every night  
Oh, my love,  
Can't you see that you're on my mind?  
Don't suppose you could convince your lover  
To change his mind  
So goodbye  
She said, "It's not now or never  
Wait ten years, we'll be together"  
I said, "Better late than never  
Just don't make me wait forever"  
Don't make me wait forever  
Don't make me wait forever  
Oh, my love,  
Can't you see yourself by my side?  
I don't suppose you could convince your lover  
To change his mind  
I was doing fine without ya  
'Til I saw your face, now I can't erase  
Givin' in to all his bullshit  
Is this what you want? Is this who you are?  
I was doing fine without ya  
'Til I saw your eyes turn away from mine  
All sweet talkin', where he wants ya  
So, come on, Superman, say your stupid line

So, come on, Superman, say your stupid line  
So, come on, Superman, say your stupid line
