## The Less I Know the Better - Tame Impala

Someone said they left together I ran out the door to get her She was holding hands with Trevor Not the greatest feeling ever Said, "Pull yourself together You should try your luck with Heather" Then I heard they slept together Oh, the less I know the better The less I know the better Oh, my love, Can't you see yourself by my side? No surprise, Leanin' on his shoulder like every night Oh, my love, Can't you see that you're on my mind? Don't suppose you could convince your lover To change his mind So goodbye She said, "It's not now or never Wait ten years, we'll be together" I said, "Better late than never Just don't make me wait forever" Don't make me wait forever Don't make me wait forever Oh, my love, Can't you see yourself by my side? I don't suppose you could convince your lover To change his mind I was doing fine without ya 'Til I saw your face, now I can't erase Givin' in to all his bullshit Is this what you want? Is this who you are? I was doing fine without ya 'Til I saw your eyes turn away from mine All sweet talkin', where he wants ya

So, come on, Superman, say your stupid line
