

# Replay – Tamta

You got a problem  
2 AM I'm in your head  
Let's just be honest tonight

Only I can solve it  
You're twisting, turning in your bed  
Them sheets need my body tonight, mmm

That's when you call me  
That's when you call me  
Say you're feeling lonely  
Early in the morning  
Early in the morning  
Time is moving slowly

We keep it undercover  
I know you miss the taste  
Heart beats like an an 808  
You need my love on replay

Replay, replay, replay, yeah  
You need my love on replay  
Replay, replay, replay, yeah

You're stuck on me, darling  
Like a love song on repeat  
Yeah, you got a problem alright, yeah

And I know I'm the one to blame  
Because I make you scream my name  
Baby, I'm all in tonight, mmm

That's when you call me  
That's when you call me  
Say you're feeling lonely  
Early in the morning

Early in the morning  
Time is moving slowly

We keep it undercover  
I know you miss the taste  
Heart beats like an 808\*  
You need my love on replay

Replay, replay, replay, yeah  
You need my love on replay  
Replay, replay, replay, yeah

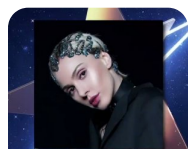

I know I'm the one to blame  
'Cause I make you scream my name  
Baby, I'm all in tonight, mmm yeah

That's when you call me  
That's when you call me

That's when you call me  
That's when you call me  
Say you're feeling lonely  
Early in the morning  
Early in the morning  
Time is moving slowly

We keep it undercover  
I know you miss the taste  
Heart beats like an 808  
You need my love on replay

(You need my love)  
Replay, replay, replay, yeah  
(Yeah, yeah)  
You need my love on replay
