

greedy – Tate McRae

He said, "Are you serious?
I've tried, but I can't figure out
I've been next to you all night
And still don't know what you're about
You keep ta-ta-ta-talkin'
But not much comin' out your mouth
Can't you tell that I want you?
I say, yeah

I would want myself
Baby, please believe me
I'll put you through hell
Just to know me, yeah, yeah
So sure of yourself
Baby, don't get greedy
That shit won't end well
Ooh, end well

Uh-uh-uh-uh-uh-uh-uh

I see you eyein' me down
but you'll never know much past my name
Or how I'm runnin' this room around
And that I'm still half your age
Yeah, you're loo-loo-loo-lookin' at me
Like I'm some sweet escape
Obvious that you want me
But I said

I would want myself
Baby, please believe me
I'll put you through hell
Just to know me, yeah, yeah
So sure of yourself
Baby, don't get greedy
That shit won't end well

Ooh, end well

He said "I'm just curious"
Is this for real or just an act?
Can't tell if you love or hate me
Never met someone like that
Drive me so, so, so crazy
Did you know you got that effect?
I said "Lemme check", yeah

I would want myself
Baby, please believe me
I'll put you through hell
Just to know me, yeah, yeah
So sure of yourself
Baby, don't get greedy
That shit won't end well
Ooh, end well

I would want myself

Uh-uh, uh-uh-uh, uh
