

Tell It To My Heart – Taylor Dayne

I feel the night explode when were together
Emotion overload in the heat of pleasure

Take me Im yours into your arms
Never let me go
Tonight I really need to know

Tell it to my heart
Tell me Im the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name

The passions so complete its neverending
As long as I receive, the message youre sending

Body to body, soul to soul
Always feel you near
So say the words I long to hear

Tell it to my heart
Tell me Im the only one
Is this really love or just a game?
Tell it to my heart
I can feel my bodyrock every time you call my name

Love, love on the run, breaking us down,
Though we keep holding on
I dont want to lose, no I cant let you go

Tell it to my heart
Tell me Im the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name

Tell it to my heart tell me from the start
Tell it to my heart
Tell it to my heart tell me from the start
Tell it to my heart
Never make it stop oh, take it to the heart
Tell it to my heart
