White Horse - Taylor Swift

Say you're sorry That face of an angel Comes out just when you need it to As I paced back and forth all this time 'Cause I honestly believed in you Holding on The days drag on Stupid girl, I should have known, I should have known That I'm not a princess, this ain't a fairy tale I'm not the one you'll sweep off her feet, Lead her up the stairwell This ain't Hollywood, this is a small town, I was a dreamer before you went and let me down Now it's too late for you And your white horse, to come around Maybe I was naive, Got lost in your eyes And never really had a chance My mistake I didn't know to be in love You had to fight to have the upper hand I had so many dreams About you and me Happy endings Now I know I'm not a princess, this ain't a fairy tale I'm not the one you'll sweep off her feet, Lead her up the stairwell This ain't Hollywood, this is a small town, I was a dreamer before you went and let me down Now it's too late for you And your white horse, to come around And there you are on your knees, Begging for forgiveness, begging for me Just like I always wanted but I'm so sorry 'Cause I'm not your princess, this ain't a fairytale

I'm gonna find someone someday
Who might actually treat me well
This is a big world, that was a small town
There in my rear view mirror disappearing now
And its too late for you and your white horse
Now its too late for you and your white horse,
To catch me now
Oh, whoa, whoa, whoa
Try and catch me now
Oh, it's too late
To catch me now
