Safe & Sound (piano) – Taylor Swift, The Civil Wars

I remember tears streaming down your face When I said, "I'll never let you go" When all those shadows almost killed your light I remember you said, "Don't leave me here alone" But all that's dead and gone and past to night

Just close your eyes
The sun is going down
You'll be alright
No one can hurt you now
Come morning light
You and I'll be safe and sound

Don't you dare look out your window, darling, Everything's on fire The war outside our door keeps raging on Hold on to this lullaby Even when music's gone Gone

Just close your eyes
The sun is going down
You'll be alright
No one can hurt you now
Come morning light
You and I'll be safe and sound

Oooh, Oooh, Oooh, Oooh Oooh, Oooh, Oooh

Just close your eyes
You'll be alright
Come morning light,
You and I'll be safe and sound

Oooh, oooh, oooh, oooh, oooh
