

# Bad Dreams – Teddy Swims

Sun is goin' down  
Time is runnin' out  
No one else around but me  
Steady losing line,  
Steady losing my mind  
Over shadows and grind my teeth, ooh  
Without you,  
There ain't no place for me to hide  
Without you,  
There's no way I could sleep tonight  
What I'd do  
For a little bit of peace and quiet  
Without you, I keep  
Slipping into bad dreams  
Where there's no you and I  
No sound when I cry  
I love you and I need you to set me free  
From all of these  
Bad dreams  
Waitin' on the other side  
No sound when I cry  
I love you and I need you to set me free  
From all of these, all of these  
Ooh  
Bad dreams  
Ooh  
All of these  
Baby, please come around, help me settle down  
Heavy head's the crown in my head,  
What you waiting for? Something physical?  
I can do this by myself  
Without you,  
There ain't no place for me to hide  
Without you,  
There's no way I could sleep tonight  
What I'd do

For a little bit of peace and quiet  
Without you, I keep  
Slipping into  
Bad dreams  
Where there's no you and I  
No sound when I cry  
I love you and I need you to set me free  
From all of these  
Bad dreams  
Waitin' on the other side  
No sound when I cry  
I love you and I need you to set me free  
From all of these, all of these  
Ooh  
Bad dreams  
Baby, please  
Ooh  
All of these  
All of these
