

# Bad Dreams – Teddy Swims

Sun is going down, time is running out  
No one else around but me  
Steady losing light  
Steady losing my mind  
Moving shadows and grinding teeth

Without you  
There ain't no place for me to hide  
Without you  
There's no way I can sleep tonight  
What I'd do  
For a little bit of peace and quiet  
Without you I keep

Slippin into bad dreams  
Where there's no you and I  
No sound when I cry  
I love you and  
I need you to set me free  
From all of these bad dreams  
Waiting on the other side  
No sound when I cry  
I love you and  
I need you to set me free  
From all of these, all of these  
Ooh, Bad dreams  
Ooh, All of these, baby, please

Come around  
Help me settle down  
Hellish habits can cloud my head  
What you waiting for  
Something physical  
I can't do this by myself

Without you

There ain't no place for me to hide  
Without you  
There's no way I can sleep tonight  
What I'd do  
For a little bit of peace and quiet  
Without you I keep

Slippin into bad dreams  
Where there's no you and I  
No sound when I cry  
I love you and  
I need you to set me free  
From all of these bad dreams  
Waiting on the other side  
No sound when I cry  
I love you and  
I need you to set me free  
From all of these, all of these  
Ooh, Bad dreams, baby, please  
Ooh, All of these, all of these
