

Blowing Smoke cover – Teddy Swims

Maybe it's the midnight air
Something 'bout the summer night
Maybe it's the stars up there
That made me say what's on my mind
I love the way you twist your hair, mhmm
I'm seeing how you roll your eyes
I'm watching how your cheeks turn red
Must mean I'm doing something right
I ain't just blowing smoke
Girl, tonight, you look so beautiful
This must be a blessing,
I just had to take a second
Step aside and catch my -, and let you know
Promise, girl, I ain't just blowing smoke
Let's go somewhere where we can be alone
Roll one up and burn it
Extra slow until the morning
Feeling like I had to come and let you know
Maybe you were Heaven-sent, yeah
Or maybe it's a waste of time
But I'm willing to take that bet
So, darling, will you roll the dice?
You already know you're a ten and it shows
Everyone hoping you walked in alone
So stop me if I say too much
'Cause I can never say enough
I ain't just blowing smoke
But, girl, tonight, you look so beautiful
This must be a blessing,
I just had to take a second
Step aside and catch my -, and let you know
Promise, girl, I ain't just blowing smoke
Let's go somewhere where we can be alone
Roll one up and burn it
Extra slow until the morning
Feeling like I had to come and let you know

You already know you're a ten and it shows
Everyone hoping you came here alone
So stop me if I say too much
'Cause I can never say enough
I ain't just blowing smoke
But, girl, tonight, you look so beautiful
This must be a blessing,
I just had to take a second
Step aside and catch my -, and let you know
I promise, girl, I ain't just blowing smoke
Let's go somewhere where we can be alone
Roll one up and burn it
Extra slow until the morning
Feeling like I had to come and let you know
I promise, girl, I ain't just blowing
