

Only One Night – Th Hurrricanes

Just tonight
You're trying so hard to be done
But your eyes
They say you need love
This way you just get loneliness
But not freedom
When all you ever want is one last time
Just only one night
To give love a chance
Just only one night
To teach you romance
Just only one night
Just relax
I'll show you a new way to live
What it takes
Is daring to give
Tonight you'll see
How love can stay here forever
When all you want is just the one last time
Just only one night
To give love a chance
Just only one night
To teach you romance
Just only one night
To give love a chance
Just only one night
To teach you romance
Just only one night
To give love a chance
Just only one night
To teach you romance
Just only one night
