

Dance d'Amour – The 69 Eyes

Your lips shine like Paris

Mon amour

À toi toujours

Ma chérie

But your tears bring a little London for me

Berlin can never be so cold as you reach

Baby, won't you dance with me into the night

To the serious moonlight

Brighter than the stars above you shine

And the loving feels alright

Give me the moment that the world won't need

Ce soir

Tu es à moi

Ma chérie

But your fears ain't no strangers for me

Morning can never be so cold as you leave

Baby, won't you dance with me into the night

To the serious moonlight

Brighter than the stars above you shine

And the loving feels alright

Dance with me into the night

To the serious moonlight

Brighter than the stars above you shine

And the loving feels alright

Dance with me into the night

To the serious moonlight

Brighter than the stars above you shine

And the loving feels alright

Dance with me into the night

To the serious moonlight

Brighter than the stars above you shine

And the loving feels alright

Won't you run away

Won't you run away

Won't you

Won't you run away!
