

# Lost Boys – The 69 Eyes

You wanna rock  
Morning light hurts your eyes  
But that's another thing  
Nothing really matters  
Behind the shades of blue  
Blind boys never lie  
But that's another thing  
Nothing really matters  
Behind the shades of blue  
Cause in the end  
You're just reborn again  
You wanna rock  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost  
In the night time, honey  
Lost boys  
We are dead until dark  
But that's another thing  
Nothing really matters  
Behind the shades of blue  
You say you wanna live like I do  
But that's another thing  
Nothing really matters  
Behind the shades of blue  
Cause in the end  
We're just reborn again  
You wanna rock  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost  
In the night time, honey  
Lost boys  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost

In the night time, honey  
Lost boys  
You wanna rock  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost  
In the night time, honey  
Lost boys  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost  
In the night time, honey  
Lost boys  
Nothing's gonna make you stop  
And nothing's gonna break you up  
Everybody knows you're lost  
In the night time, honey  
Lost boys  
Nothing's gonna make you stop  
Lost boys  
Everybody knows you're lost  
Lost boys
