

Lost Boys – The 69 Eyes

You wanna rock
Morning light hurts your eyes
But that's another thing
Nothing really matters
Behind the shades of blue
Blind boys never lie
But that's another thing
Nothing really matters
Behind the shades of blue
Cause in the end
You're just reborn again
You wanna rock
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost
In the night time, honey
Lost boys
We are dead until dark
But that's another thing
Nothing really matters
Behind the shades of blue
You say you wanna live like I do
But that's another thing
Nothing really matters
Behind the shades of blue
Cause in the end
We're just reborn again
You wanna rock
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost
In the night time, honey
Lost boys
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost

In the night time, honey
Lost boys
You wanna rock
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost
In the night time, honey
Lost boys
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost
In the night time, honey
Lost boys
Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost
In the night time, honey
Lost boys
Nothing's gonna make you stop
Lost boys
Everybody knows you're lost
Lost boys
