Lost Boys - The 69 Eyes

You wanna rock Morning light hurts your eyes But that's another thing Nothing really matters Behind the shades of blue Blind boys never lie But that's another thing Nothing really matters Behind the shades of blue Cause in the end You're just reborn again You wanna rock Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost In the night time, honey Lost boys We are dead until dark But that's another thing Nothing really matters Behind the shades of blue You say you wanna live like I do But that's another thing Nothing really matters Behind the shades of blue Cause in the end We're just reborn again You wanna rock Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost In the night time, honey Lost boys Nothing's gonna make you stop And nothing's gonna break you up

Everybody knows you're lost

In the night time, honey Lost boys You wanna rock Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost In the night time, honey Lost boys Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost In the night time, honey Lost boys Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost In the night time, honey Lost boys Nothing's gonna make you stop Lost boys Everybody knows you're lost Lost boys
