And I love him(and I love her) - The Beatles

I give him all my love

That's all I do

And if you saw my love

You'd love him, too

And I love him

He gives me everything

So tenderly

The kiss my lover brings

He brings to me

And I love him

A love like ours

We never die

As long as I

Have you near me

Near me

Bright are the stars that shine

Dark is the sky

I know this love of mine

Will never die

And I love him

A love like ours

We never die

As long as I

Have you near me

Near me

Bright are the stars that shine

Dark is the sky

I know this love of mine

Will never die

And I love him

And I love him

And I love him
