

# Full Moon – The Black Ghosts

When the thorn bush turns white,  
That's when I'll come home  
I am going out to see what I can sow  
And I don't know where I'll go  
And I don't know what I'll see  
But I'll try not to bring it  
Back home with me  
Like the morning sun your eyes will follow me  
As you watch me wander,  
Curse the powers that be  
'Cause all I want is here and now,  
But its already been and gone  
Our intentions always last that bit too long  
(Instrumental and vocalization: 38 sec)  
Far far away,  
No voices sounding  
No one around me  
And you're still there  
Far far away,  
No choices passing,  
No time confounds me  
And you're still there  
In the full moons light  
I listen to the stream  
And in between the silence  
Hear you calling me  
But I don't know where I am  
And I don't trust who I've been  
And If I come home how will I ever leave?  
(Instrumental and vocalization: to the end)
