Close to You - The Carpenters

Why do birds suddenly appear Every time you are near? Just like me, they long to be Close to you

Why do stars fall down from the sky Every time you walk by? Just like me, they long to be Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust
In your hair of gold
And starlight in your eyes of blue

That is why all the girls in town Follow you all around Just like me, they long to be Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust
In your hair of gold
And starlight in your eyes of blue

That is why all the girls in town Follow you all around Just like me, they long to be Close to you

Just like me, they long to be Close to you Wa, close to you Wa, close to you Ha, close to you La, close to you
