

# Easy Street – The Collapsable Hearts Club

We're on easy street  
And it feels so sweet  
'Cause the world is 'bout a treat  
When you're on easy street  
And we're breaking out the good champagne  
We're sitting pretty on the gravy train  
And when we sing every sweet refrain repeats  
Right here on easy street

It's our moment in the sun  
And it's only just begun  
It's time to have a little fun  
We're inviting you to come and see why you should be  
On easy street  
Yeah, we got a front row seat  
Oh, to a life that can't be beat  
Right here on easy street

It's our moment in the sun  
And it's only just begun  
It's time to have a little fun  
And we're inviting you to come and see why you should be  
On easy street  
Yeah, we got a front row seat  
Oh, to a life that can't be beat  
Right here on easy street

'Cause the world is 'bout a treat  
When you're on easy street

'Cause the world is 'bout a treat  
When you're on easy street
