

# Calm After The Storm (duet) – The Common Linnets

Driving in the fast lane  
Counting mile marker signs  
The empty seat beside me  
Keeps you on my mind

Livin' in the heartache  
Was never something I pursued  
I can't keep on chasing  
What I can be for you

Oooohhhh skies are black and blue  
I'm thinking about you  
Here in the calm after the storm

Tears on the highway  
Water in my eyes  
This rain ain't gonna change us  
So what's the use to cry

I could say im sorry  
But I don't wanna lie  
I just wanna know if staying  
Is better than goodbye

Oooohhhh skies are black and blue  
I'm thinking about you  
Here in the calm after the storm  
Oooooohh after all that we've been through  
(baby) there ain't nothing new  
Here in the calm after the storm

Maybe I can find you  
Down this broken line  
Maybe you can find me  
I guess we'll know in time

Oooohhhh skies are black and blue  
I'm thinking about you  
Here in the calm after the storm  
There ain't nothing new  
Here in the calm after the storm
