

Calm After The Storm – The Common Linnets

Driving in the fast lane
Counting mile marker signs
The empty seat beside me
Keeps you on my mind
Livin' in the heartache
Was never something I pursued
I can't keep on chasing
What I can be for you
Oooohhhh skies are black and blue
I'm thinking about you
Here in the calm after the storm
Tears on the highway
Water in my eyes
This rain ain't gonna change us
So what's the use to cry
I could say im sorry
But I don't wanna lie
I just wanna know if staying
Is better than goodbye
Oooohhhh skies are black and blue
I'm thinking about you
Here in the calm after the storm
Oooooohh after all that we've been through
There ain't nothing new
Here in the calm after the storm
Maybe I can find you
Down this broken line
Maybe you can find me
I guess we'll know in time
Oooohhhh skies are black and blue
I'm thinking about you
Here in the calm after the storm
There ain't nothing new
Here in the calm after the storm
