Calm After The Storm - The Common Linnets

Driving in the fast lane

Counting mile marker signs

The empty seat beside me

Keeps you on my mind

Livin' in the heartache

Was never something I pursued

I can't keep on chasing

What I can be for you

Oooohhhh skies are black and blue

I'm thinking about you

Here in the calm after the storm

Tears on the highway

Water in my eyes

This rain ain't gonna change us

So what's the use to cry

I could say im sorry

But I don't wanna lie

I just wanna know if staying

Is better than goodbye

Oooohhhh skies are black and blue

I'm thinking about you

Here in the calm after the storm

Oooooohh after all that we've been through

There ain't nothing new

Here in the calm after the storm

Maybe I can find you

Down this broken line

Maybe you can find me

I guess we'll know in time

Oooohhhh skies are black and blue

I'm thinking about you

Here in the calm after the storm

There ain't nothing new

Here in the calm after the storm
