What can I do – The Corrs

I haven't slept at all in days It's been so long since we've talked And I have been here many times I just don't know what I'm doing wrong What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there There's only so much I can take And I just got to let it go And who knows I might feel better, yeah If I don't try and I don't hope What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there No more waiting, no more, aching No more fighting, no more, trying Maybe there's nothing more to say And in a funny way I'm calm Because the power is not mine I'm just going to let it fly What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there What can I do to make you love me What can I do to make you care What can I change to make you feel this me) What can I do to get you there
