

All Over Now – The Cranberries

Do you remember,
Remember the night
At a hotel in London,
They started to fight
She told her man that
She fell on the ground,
She was afraid that
The truth would be found

Do you remember?
Do you recall?
Do you remember?
I remember it all

It's all over now
It's all over now
It's all over now
It's all over now

Do you remember,
Remember the place
In a hotel in London,
A scar on her face
She told her man that
She fell on the ground,
She was afraid that
The truth would be found

Do you remember?
Do you recall?
Do you remember?
'Cause I remember it all

It's all over now
It's all over now
It's all over now

It's all over now

It's all over now

It's all over now

It's all over now

It's all over now
