

# All Over Now – The Cranberries

Do you remember,  
Remember the night  
At a hotel in London,  
They started to fight  
She told her man that  
She fell on the ground,  
She was afraid that  
The truth would be found

Do you remember?  
Do you recall?  
Do you remember?  
I remember it all

It's all over now  
It's all over now  
It's all over now  
It's all over now

Do you remember,  
Remember the place  
In a hotel in London,  
A scar on her face  
She told her man that  
She fell on the ground,  
She was afraid that  
The truth would be found

Do you remember?  
Do you recall?  
Do you remember?  
'Cause I remember it all

It's all over now  
It's all over now  
It's all over now

It's all over now

It's all over now

It's all over now

It's all over now

It's all over now
