Linger - The Cranberries

If you, if you could return Don't let it burn Don't let it fade I'm sure I'm not being rude But it's just your attitude It's tearing me apart It's ruining every day I swore, I swore I would be true And honey so did you So why were you holding her hand? Is that the way we stand? Were you lying all the time? Was it just a game to you? But I'm in so deep You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger? Do you have to, do you have to, Do you have to let it linger? Oh, I thought the world of you I thought nothing could go wrong But I was wrong, I was wrong If you, if you could get by Trying not to lie Things wouldn't be so confused And I wouldn't feel so used But you always really knew I just want to be with you And I'm in so deep You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger? Do you have to, do you have to, Do you have to let it linger? **Instrumental**

And I'm in so deep

You know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger?
Do you have to, do you have to,
Do you have to let it linger?
You know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger?
Do you have to, do you have to,
Do you have to let it linger?
