

When You're Gone – The Cranberries

Doo bee da x16

Hold on to love that is what I do

Now that I've found you

And from above everything's stinking,

They're not around you

And in the night, I could be helpless,

I could be lonely, sleeping without you

And in the day, everything's complex,

There's nothing simple,

When I'm not around you

But I'll miss you when you're gone,

That is what I do

Hey, baby!

And it's going to carry on,

That is what I do

Hey, baby!

Doo bee da x4

Hold on to my hands, I feel I'm sinking,

Sinking without you

And to my mind, everything's stinking,

Stinking without you

And in the night, I could be helpless,

I could be lonely, sleeping without you

And in the day, everything's complex,

There's nothing simple,

When I'm not around you

But I'll miss you when you're gone,

That is what I do

Hey, baby!

And it's going to carry on,

That is what I do

Hey, baby!

Doo bee da x4

Hey, baby!
