When You're Gone – The Cranberries

Doo bee da x16 Hold on to love that is what I do Now that I've found you And from above everything's stinking, They're not around you And in the night, I could be helpless, I could be lonely, sleeping without you And in the day, everything's complex, There's nothing simple, When I'm not around you But I'll miss you when you're gone, That is what I do Hey, baby! And it's going to carry on, That is what I do Hey, baby! Doo bee da x4 Hold on to my hands, I feel I'm sinking, Sinking without you And to my mind, everything's stinking, Stinking without you And in the night, I could be helpless, I could be lonely, sleeping without you And in the day, everything's complex, There's nothing simple, When I'm not around you But I'll miss you when you're gone, That is what I do Hey, baby! And it's going to carry on, That is what I do Hey, baby! Doo bee da x4 Hey, baby!
