## Love Song - The Cure

Whenever I'm alone with you You make me feel like I am home again

Whenever I'm alone with you You make me feel like I am whole again

Whenever I'm alone with you You make me feel like I am young again

Whenever I'm alone with you You make me feel like I am fun again

However far away I will always love you

However long I stay I will always love you

Whatever words I say I will always love you I will always love you

Whenever I'm alone with you You make me feel like I am free again

Whenever I'm alone with you You make me feel like I am clean again

However far away I will always love you

However long I stay I will always love you Whatever words I say

## I will always love you I will always love you
